From the Desk of Mayor Mark Zinna

Congratulations to the Tenafly High School Senior class of 2023 as we approach your graduation. It really has been fabulous witnessing all of your hard work and success throughout the years. Best of luck with everything you do going forward! Thank you to everyone in the Tenafly School Community for continuing to make the Tenafly Schools such a wonderful experience. If you have not heard the recent news, our Tenafly Schools are ranked #6 among all the school districts in the State of New Jersey by Niche. Go Tigers!

Spring is here and along with the warm weather comes our road paving work. This year we are paving approximately 17 roads around Tenafly. The paving contractors will notify residents when your street is being paved, so that short term parking and traffic adjustments can be arranged. Please expect some traffic inconveniences during the road paving season, but the improvements are worth the energy.

A new, all-inclusive spinner for Froggy Park has been ordered. We are looking

forward to the new installation for all the kids to enjoy. We also have a new sign on order to further improve the park.

We are excited to announce that the Borough of Tenafly and the Tenafly Board of Education have entered into a shared services agreement for the Little League baseball field. The Tenafly Little League has been maintaining the field. Now, the Borough will be able to work with Little League to help improve and maintain the field for the benefit of Little League, and select Recreation programs. I would like to thank the Board of Education for working together with the Borough to create this opportunity to further enhance services to the Tenafly community.

The Borough Council and I have begun discussing the idea of building an indoor basketball court / recreation center which would be available for year-round use by Tenafly residents. There is much more conversation on this topic to come, and we will need significant input from residents. We have organized a team of residents and Council members to begin the discussion and idea vetting. We are looking forward to announcing Public Meetings very early in the process so the entire community will have an

Continued on Page 2

opportunity to participate.

The Dog Park Committee is hard at work investigating improvement ideas and opportunities for our Dog Park on Grove Street. They have visited a number of dog parks in other communities to learn how the best ideas can be applied in Tenafly. We are all looking forward to evolving our park into an attractive experience for pets and humans alike. Thank you to the Committee members for all your efforts!

Thank you to all of the residents who joined our Engineering Public Session on May 18th. Pedestrian Safety and improved traffic flow continue to remain top priorities for our community and we are all happy that the Council has continued to progress the Downtown Revitalization efforts. The engineers have shared their recommendations to help reduce pedestrian accidents and improve traffic flow.

The Borough continues to partner with the Chamber of Commerce to accelerate our local businesses and create local events for our residents. Please keep an eye out for our first ever Tenafly Oktoberfest as well as our planned Winter Carnival.

If you would like to sign up to receive my Mayor's messages every Friday afternoon announcing a wide range of Borough events and other important Borough updates from the Police Department, please sign up for Code Red. The Code Red Enrollment sign-up link is located on the main page of the Borough website at the very bottom under "Popular Links".

Please have a wonderful and fun summer! See you soon.

Mayor Mark Zinna

Residents are reminded and encouraged to sign up for the Borough's **CodeRED** emergency notification system to receive emergency information messages regarding matters and events that directly affect the Borough of Tenafly and/or immediate surrounding communities. Residents can sign up to receive the information via cellular phone voice messages, text messages and email messages by visiting www.tenaflynj.org under "residents" and "emergency services". Follow the prompts to register for emergency notifications. Residents can unsubscribe at any time through the same link.

BOARD OF HEALTH

SOAKING UP SUN SAFELY

Your skin protects you every day! Do what you can to protect your skin! Take a few precautions every day to prevent skin damage or cancer from happening to you.

Sun that damages your skin can do some good. Sunlight promotes reactions in your body to produce Vitamin D. Low Vitamin D is linked to several health conditions, including poor bone health and depression. Getting outdoors and into the sunlight helps with the winter blues! Research suggests that sunlight hitting your skin can help reverse seasonal affective disorder triggered by changes in seasons and less daylight. Finally, going outside promotes physical activities such as sports, walking, or gardening. Getting sun in moderation is the key!

Too much sun contributes to premature aging, wrinkles, and skin cancer. Skin cancer is the most common type of cancer in the U.S. Risk factors for developing skin cancer are: lighter skin tone, skin that burns quickly, having freckles, skin that reddens easily, skin that becomes painful in the sun, red or blonde hair, and green or blue eyes. If you had high sun exposure or frequent sunburns before adulthood, you should see a dermatologist. They will examine the color, texture, shape, and size of bumps or spots on the skin.

Take steps to prevent skin cancer from ever happening. Sunscreen is a great start. You want to wear sunscreen with an SPF of 15 or higher. You can add layers of protection by wearing long sleeves or pants, sunglasses, and hats. Clothing can protect the skin and eyes from excessive sun exposure. Finally, you want to seek shade when you can. Trees, umbrellas, or tents can help protect you at sporting events or the beach.

Written by Kelley Grippo, CHES, Mid-Bergen Regional Health Commission

BOROUGH NEWS

2023 PRIMARY ELECTION

On June 6, 2023, the Primary Election will be held. Polling places will be open from 6 a.m. to 8 p.m. Voters will select candidates from their respective Political Party, which includes Council.

Voter Registration forms and Mail-In Ballot applications are available in the Borough Clerk's Office, Bergen County Superintendent of Election's Office, or can be downloaded from the NJ Division of Elections' website: <http://www.njelections.org>

If you have any questions, feel free to contact the Borough Clerk's Office at 201-568-6100.

POLICE DEPARTMENT

The Tenafly Police Department would like to remind all residents to be aware of unregistered contractors going door to door. Recently, our officers encountered a group working under a fictitious company name, going door to door offering a variety of home improvement services at an unbelievably low price. They claimed they were already “working in the neighborhood”, provided fancy brochures and legitimate looking contracts for the residents to sign.

In this case, after agreeing to a low estimate and having work begin, the residents were told the job is much more complex than originally thought. They then demanded a large deposit to obtain the necessary (and conveniently much more expensive) materials to make the newly identified repairs. The scammers convinced the homeowner to write the check out to an individual, rather than the company name, to “avoid processing delays”. The scammers then purchased inferior materials and hired unknowing day laborers to do work they were not qualified to do. Our building inspector determined that they never obtained a construction permit and quickly identified that the work done was not up to code and would eventually collapse, if left as constructed.

Unfortunately, these types of scam artists rarely register with the State of New Jersey, almost never apply for the building permits, and do the job with no regard to current construction standards. They are skilled con-artists and will give you the impression they are legitimate by performing some of the work and having materials delivered. However, once the job starts, they always find an “unforeseen problem” that will often require a much higher price to fix. Most people, when confronted with a partially demolished room or patio, feel they have little choice but to pay the new higher price to ensure that the job is finished. In most cases, the resident ends up paying much more than the original quote and finds a sub-standard finished project. The completed work would fail any home inspection and needs to be completely re-done to meet proper code standards. If the resident refuses to pay, the scammer pockets the large deposit and abandons the project, leaving the homeowner with

the mess of an unfinished work site and the hassle of needing to find someone legitimate to finish the job. When victims finally realize they’ve been scammed, they find out that the phone number and company name on the brochures were fraudulent and a quick Google search reveals they are usually not the only ones to fall victim to these groups of criminals.

We are working hard to prevent these unscrupulous criminals from victimizing our community, but we need to work together to prevent frauds from being committed. Please help us by reporting any suspicious activity in your neighborhood. All legitimate solicitors must obtain a photo-ID permit from the Police Department before starting any door-to-door sales. If they don’t have a permit, politely tell them “No, thank you. I’m not interested.” Then immediately call us at (201) 568-5100. Be observant and provide a good description of the individuals (clothing, height, hair color, vehicle make, model, color and license plate, etc.) as well as their last known direction of travel. Please check in on your more vulnerable neighbors if you see construction being done on their property. These groups are known to target the elderly, and they will con them out of their life savings without thinking twice. Remind your housekeeper, babysitters, and own children on the proper way to respond to a solicitor at the front door. Let’s all protect our community from these scam artists. Thank you for your help, and always remember, “If you see something, please say something.”

WAYS TO PROTECT ONESELF WHEN HIRING A HOME IMPROVEMENT CONTRACTOR

**Website: www.bergenpassaicconsumeraffairs.com
What Should Be in My Contract (Projects over \$500.00 must have a contract):**

- Start / Finish Date or Duration
- All warranties & guarantees listed in writing
- 3 Day Notice to Consumer, cancellation option
- NJ Consumer Affairs phone number 888-656-2225
- Signatures of both parties on the contract
- Total cost including finance charges of the home

POLICE DEPARTMENT

improvement on the front page

- Description of work to be performed and principal products & materials
- A copy of Commercial Liability Insurance and the name and phone number of the agent
- The business name, business address, phone number, & sales representative name
- NJ Home Improvement Registration number must be listed on all documents

Before You Sign a Contract:

- Get written estimates from at least three contractors. Check if they are registered and have liability insurance (both of which are required by law).
- Do research online about the performance of the contractor. Use multiple sources.
- Construction Permits: never indicate you are performing the work yourself if you have a contractor. Provide the name of your contractor and registration number on the permit application; otherwise you may be forfeiting some protections afforded by law.
- Make sure the contractor is registered with the NJ Division of Consumer Affairs.

Tips:

- **Do not pay for the entire job upfront.** NJ law prohibits home improvement contractors from demanding the final payment before the home improvement is completed and the work has passed all final inspections.
- Document all payments by using credit cards, checks or receipts. Do not pay in cash.
- Keep a log of all activities of work progression and payments.

Contractors Must:

- Register annually with the NJ Division of Consumer Affairs.
- Prominently display the registration number on advertisements, documents and vehicles.
- The word "license" should not be used, it is a registration.
- The contractor cannot start work unless a permit is issued for project.

VOLUNTEER FIRE DEPARTMENT

BBQ GRILLING SAFETY TIPS

Make sure your gas grill is working properly

- Leaks or breaks are primarily a problem with gas grills. Check the gas tank hose for leaks before using it for the first time each year.
- If you smell gas while cooking, immediately get away from the grill and do not move it. If the flame goes out, turn the grill and gas off and wait at least 5 minutes before re-lighting it.

Never leave equipment unattended

- Make sure to closely monitor food cooking on the grill. Turn the grill off promptly when you're done cooking, and let it cool completely before returning it to its original location.

Keep equipment a safe distance from things that can burn

- Place your grill well away (at least 3 feet) from anything that can burn, including deck railings and overhanging branches; also keep them out from under eaves.
- Keep portable grills a safe distance from lawn games, play areas and foot traffic.
- Keep children and pets well away from any type of equipment in use. For campfires, fire pits, and chimineas, always have a hose, bucket of water, or

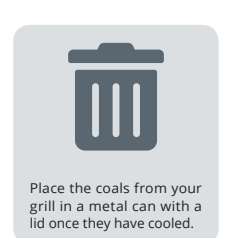

shovel and dirt or sand nearby, and make sure the fire is completely out before going to sleep or leaving the area.

Use fuel and fire starters properly

- Never use gasoline or other flammable or combustible liquids on firepits, chimineas, or campfires.

If a fire breaks out, call the Fire Department

- For any type of outdoor fire that can't be quickly and effectively extinguished, call the fire department immediately for assistance.

ENVIRONMENTAL COMMISSION

INCREASING YOUR HOME'S VALUE

Tenaflly just celebrated Arbor Day on April 28th with a tree planting at the Maugham School. Arbor Day is a holiday that dates to 1872 Nebraska and has been the impetus for millions of trees being planted globally. It is celebrated across the United States and around the world.

Besides their beauty, trees have some very practical uses, including flood protection and preventing soil erosion. They provide a habitat for countless wildlife and beneficial insects. They cool and clean the air and prevent urban heat islands. And one large, fully grown tree can provide enough oxygen for a family of four.

Some homeowners would be happy to know that having large trees on your property can also have a significant impact on the value of your home. Buyers like trees. One study found that having large, healthy trees on your property will increase its value between 3% to 15%. If you're thinking of some landscaping work this Spring,

you should consider trees. Another study found that landscaping with trees can increase your home's value by almost 20%.

The economic benefits don't stop with real estate values. According to the USDA Forest Service, trees properly placed around buildings can reduce air conditioning needs by 30% and can save 20% to 50% in energy used for heating. They will shield you from the sun in the summer and trap heat in the winter.

Luckily, we live in a town that values its trees and is giving them away for free. The Department of Public Works is taking requests for Spring/Summer 2023 tree plantings. If you would like a tree planted at your residence, within the Borough Right of Way (generally ten feet from the street), at no cost to you, please contact the Department of Public Works at 201-568-4134 or email chordern@tenaflly.net or lvanderlinden@tenaflly.net to be added to the list.

WELCOME! COMMITTEE

TENAFLY WELCOME!

It was with such joy that once again, the Tenaflly Welcome! committee was able to hold a spring event for our new residents. In the middle of May new residents were invited to the Tenaflly Firehouse and to the Tenaflly Volunteer Ambulance Corps for an up-close look. A light dinner and dessert were supplied by Tenaflly Pizza Restaurant and Kona Ice desserts.

The date for the September grand catered reception for new residents is set for September 7, 2023 from 6:00-8:00pm at the Peace Plaza. Save the date!

The Tenaflly Welcome! committee is always encouraging residents to join our committee. New residents and

those who have been residents bring great new ideas and support. Please consider joining our committee. Our meetings are held on the third Monday of each month, with some exceptions, in the McCandless room.

Tenaflly Welcome! Committee Meeting Schedule 2023

June 26, 2023
August 21, 2023
September 18, 2023
October 16, 2023
November 20, 2023
December 18, 2023

Welcome to Tenaflly! It's a great place to live.

WelcomeCommittee@tenaflly.net

HISTORICAL PRESERVATION COMMISSION

CENTENNIAL HOUSE PLAQUE FOR TENAFLY'S HISTORIC HOMES AND PROPERTIES

The Tenaflly Historic Preservation Commission has designed a unique plaque to highlight and acknowledge the very special historic properties that make up the character of the Borough of Tenaflly. Cast in bronze and coated with a red oxide finish, the plaques are 10 inches wide by 7 inches tall.

Our town has many beautiful vintage and historic houses. If you believe your home or property to be historic, you may apply for one of the oval plaques. Upon receiving the application, the Historic Preservation Commission will review it to ensure the house qualifies. The criterion set by the commission is 100 years old or on the Borough's Master Plan. Ideally a prospective buyer of a plaque would know roughly when their house was built and would need to provide supporting information.

Applications for the Historic Plaque Program can be found on the Historic Preservation Commission page on the Borough's website.

VOLUNTEER AMBULANCE CORPS

TENAFLY VOLUNTEER AMBULANCE WISHES YOU A HAPPY AND HEALTHY SUMMER

SUMMER SAFETY TIPS:

   Stay Cool, Stay Hydrated, Stay Informed! 

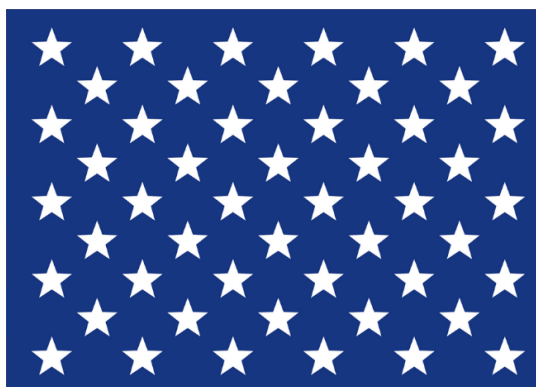

Heat Exhaustion		Heat Stroke
<p>ACT FAST</p> <ul style="list-style-type: none"> • Move to a cooler area • Loosen clothing • Sip cool water • Seek medical help if symptoms don't improve 	<p><i>Dizziness</i></p> <p><i>Thirst</i></p> <p><i>Heavy Sweating</i></p> <p><i>Nausea</i></p> <p><i>Weakness</i></p>	<p><i>Confusion</i></p> <p><i>Dizziness</i></p> <p><i>Becomes Unconscious</i></p>
<p>ACT FAST</p> <p>CALL 911</p> <ul style="list-style-type: none"> • Move person to a cooler area • Loosen clothing and remove extra layers • Cool with water or ice 		<p>ACT FAST</p> <p>CALL 911</p> <ul style="list-style-type: none"> • Move person to a cooler area • Loosen clothing and remove extra layers • Cool with water or ice
<p><i>Heat exhaustion can lead to heat stroke.</i></p>		<p><i>Heat stroke can cause death or permanent disability if emergency treatment is not given.</i></p>

And don't forget to:

- Check weather forecasts
- Limit time outdoors during peak hours and extreme heat
- Wear light, loose fitting clothes
- Eat light and fresh food
- Wear sunscreen and insect repellent

In addition to responding to approximately 850 medical emergencies throughout the borough of Tenaflly and surrounding towns a year, the Tenaflly Volunteer Ambulance Corps (TVAC) provides assistance at all community events. Our members will be on standby to ensure your safety at your favorite Summer activities including but not limited to:

Tenaflly Health and Wellness Fair • JCC's Rubin Run • Tenaflly 5k • Memorial Day Parade • Pride Flag Raising and Parade • TMS Graduation • THS Graduation • Cars, Cops, and Coffee • Fourth of July Fireworks

The members of TVAC are proud and honored to serve the community. If you would like to join our department, please email contact@tenaflyambulance.com or call 201-568-4909.

For more information, visit our website at tenaflyambulance.com.

2023 SUMMER READING PROGRAM **Sponsored by the Tenafly Library Friends** **June 17 - August 12**

SUMMER READING OPENING DAY PICNIC

Outside the Library

Saturday, June 17, 1:00 - 3:00 p.m.

This year's Summer Reading Program theme is

"All Together Now," so what better way to kick it off than to have a community picnic? You bring your lunch, and we'll supply dessert, face painting and more!

COMMUNITY ART DISPLAY

Create your own work of art to be displayed in the library throughout the summer. Every project will serve as a part of a larger community art exhibit. Please check our website, tenaflylibrary.org, for crafting sessions starting the week of June 19. Each children's session requires registration.

SEASHELL DECOUPAGE

Friends Room

Monday, June 19, 7:00 - 8:30 p.m.

Enhance your summer dinner table with a beautiful decoupaged shell. You've probably seen these shells at Home Goods stores for \$35.00 and up! Don't spend your money.

Learn to make your own at this easy and fun DIY workshop. A tropical mocktail will be served. Registration required.

WINE GLASS PAINTING

Friends Room

Monday, August 7, 7:00 - 8:30 p.m.

Create your own painted wine glass. Registration required.

COMMUNITY DANCE PARTY

Edna Kawulitzki Art Gallery

Thursday, July 20, 6:00 - 8:00 p.m.

Everyone is invited to our 60s dance party! Do you remember the Mashed Potato? How about the Loco-Motion? The classic Twist? If not, we'll teach you! We'll have a DJ and a photo shoot with Instaprint pictures.

GARDEN CLUB

The Tenaflly Garden Club monthly meetings occur the first Monday of the month with the exception of Labor Day. Although summer monthly meetings

are suspended, the Garden Club's Rose Buddy group continues working 2 to 3 days per week during the Summer endeavoring to keep the Roses blooming and in top drawer condition. The volunteers welcome the public to visit the Rose Garden at Davis Johnson Park for an incredible and memorable sensory treat.

DEPARTMENT OF PUBLIC WORKS

SEWER STOPPAGES
IN ALL CASES, CALL THE DPW FIRST!
CALL DPW at 201-568-4134

Regular Hours:

7:00am to 3:00pm – Monday thru Friday

All other hours, including weekends and holidays

CALL Tenafly Police Department at
201-568-5100.

The Police Department will notify the DPW.

BOROUGH RECYCLING CART REMINDERS

Recycling carts must be placed at the curb next to the street with the arrows facing the street. They must be accessible- do not place too close to mailboxes, street signs, telephone poles or behind garbage cans or parked cars. Only carts with acceptable items inside can be picked up. All recyclable materials must be inside the new carts. Plastic bags, Styrofoam, shrink wrap, metal items, light bulbs, pizza boxes, or wood items are not recyclable. No bags, no loose items and no other bins will be picked up. Please do not contaminate recycling with debris.

BOROUGH SHREDDING EVENT

Saturday, July 8th, 2023

9:00am to 1:00pm

The Borough of Tenafly will offer a free on-site residential document shredding event on Saturday, July 8th, 2023 from 9:00am to 1:00pm. A mobile document-shredding device will be at the Tenafly Recycling & Convenience Center, 153 Grove Street. This event is intended for Tenafly residents only and a Recycling Decal or photo ID Driver License will be required to gain access to the site. All documents received must be of a confidential and sensitive nature and will be handled in a secure manner to prevent the possibility of identity theft. To accommodate all those wishing to participate, residents are asked to limit their documents to 4 bags or boxes weighing less than 10 pounds each. Residents will be provided the opportunity to observe their documents being shredded. All non-confidential, paper material should be recycled through the Tenafly curbside recycling program and will not be accepted at this event. Come out and take advantage of this convenient service for Borough residents.
