3.3 Americans with Disabilities Act of 1990.

Discrimination on the basis of disability in contracting for the purchase of goods and services is prohibited. The successful bidder agrees to comply with the requirements of Title II of the Americans with Disabilities Act of 1990 (“Act”). The bidder agrees to the mandatory language and terms of the Act as follows:

The Contractor and the Town do hereby agree that the provisions of Title II of the Americans with Disabilities Act of 1990 (the “Act”) (42 U.S.C. § 12101 *et seq.*), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated thereunto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the Town pursuant to this contract, the Contractor agrees that the performance shall be in strict compliance with the Act. In the event that the Contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the Contractor shall defend the Town in any action or administrative proceeding commenced pursuant to this Act. The Contractor shall indemnify, protect, and save harmless the Town, its agents, servants, and employees from and against any and all suits, claims, losses, demands or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The Contractor shall, at its own expense, appear, defend and pay any and all charges for legal services and any and all costs and other expenses arising from such action or

administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the Town's grievance procedure, the Contractor agrees to abide by any decision of the Town which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the Town or if the Town incurs any expense to cure a violation of the Act which has been brought pursuant to its grievance procedure, the Contractor shall satisfy and discharge the same at its own expense.

The Town shall, as soon as practicable after a claim has been made against it, give written notice thereof to the Contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the Town or any of its agents, servants and employees, the Town shall expeditiously forward or have forwarded to the Contractor every demand, complaint, notice, summons, pleading or other process received by the Town or its representatives.

It is expressly agreed and understood that any approval by the Town of the services provided by the Contractor pursuant to this contract will not relieve the Contractor of the obligation to comply with the Act and to defend, indemnify, protect and save harmless the Town pursuant to this paragraph.

It is further agreed and understood that the Town assumes no obligation to indemnify or save harmless the Contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of the contract. Furthermore, the Contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the Contractor's obligations assumed in the contract, nor shall they be construed to relieve the Contractor from any liability, nor preclude the Town from taking any other actions available to it under any other provisions of the Contract or otherwise at law.
